

MOUNT GAMBIER AND DISTRICTS BUSINESS PLAN 2022-2024

MISSION

We represent the business community at Federal, State and local levels through advocacy, networking, information sharing and support services.

VISION

To ensure Mount Gambier remains the commercial capital of the Limestone Coast, a diversified economy which thrives on its natural resources.

PURPOSE

We provide powerful leadership and considered solutions that support business success

KEY RESULT AREAS

Represent

- > We will represent our members by advocating on their behalf

Grow

- > We will celebrate business achievements by publicly recognising our members
- > We will operate as an evolving organization that is committed to sustainable outcomes
- > Strengthen our collective impact by building a broad membership base

Connect

- > We will enable business networking & information sharing by supporting a calendar of events that covers a range of business demographics
- > We will connect & promote member businesses through a business directory
- > We will assess the feasibility of sourcing a sustainable physical workspace to meet the Chamber of Commerce current and future needs
- > We will assess the feasibility of sourcing a physical collaborative space that meets the needs of the business community
